FAQ

Q1. How can Easy Teach Academy online classes work?

Students can book a free demo of any subject. Based on the understanding, a tutor provides course options. Learners can schedule a session whenever they want and receive personalized learning plans.

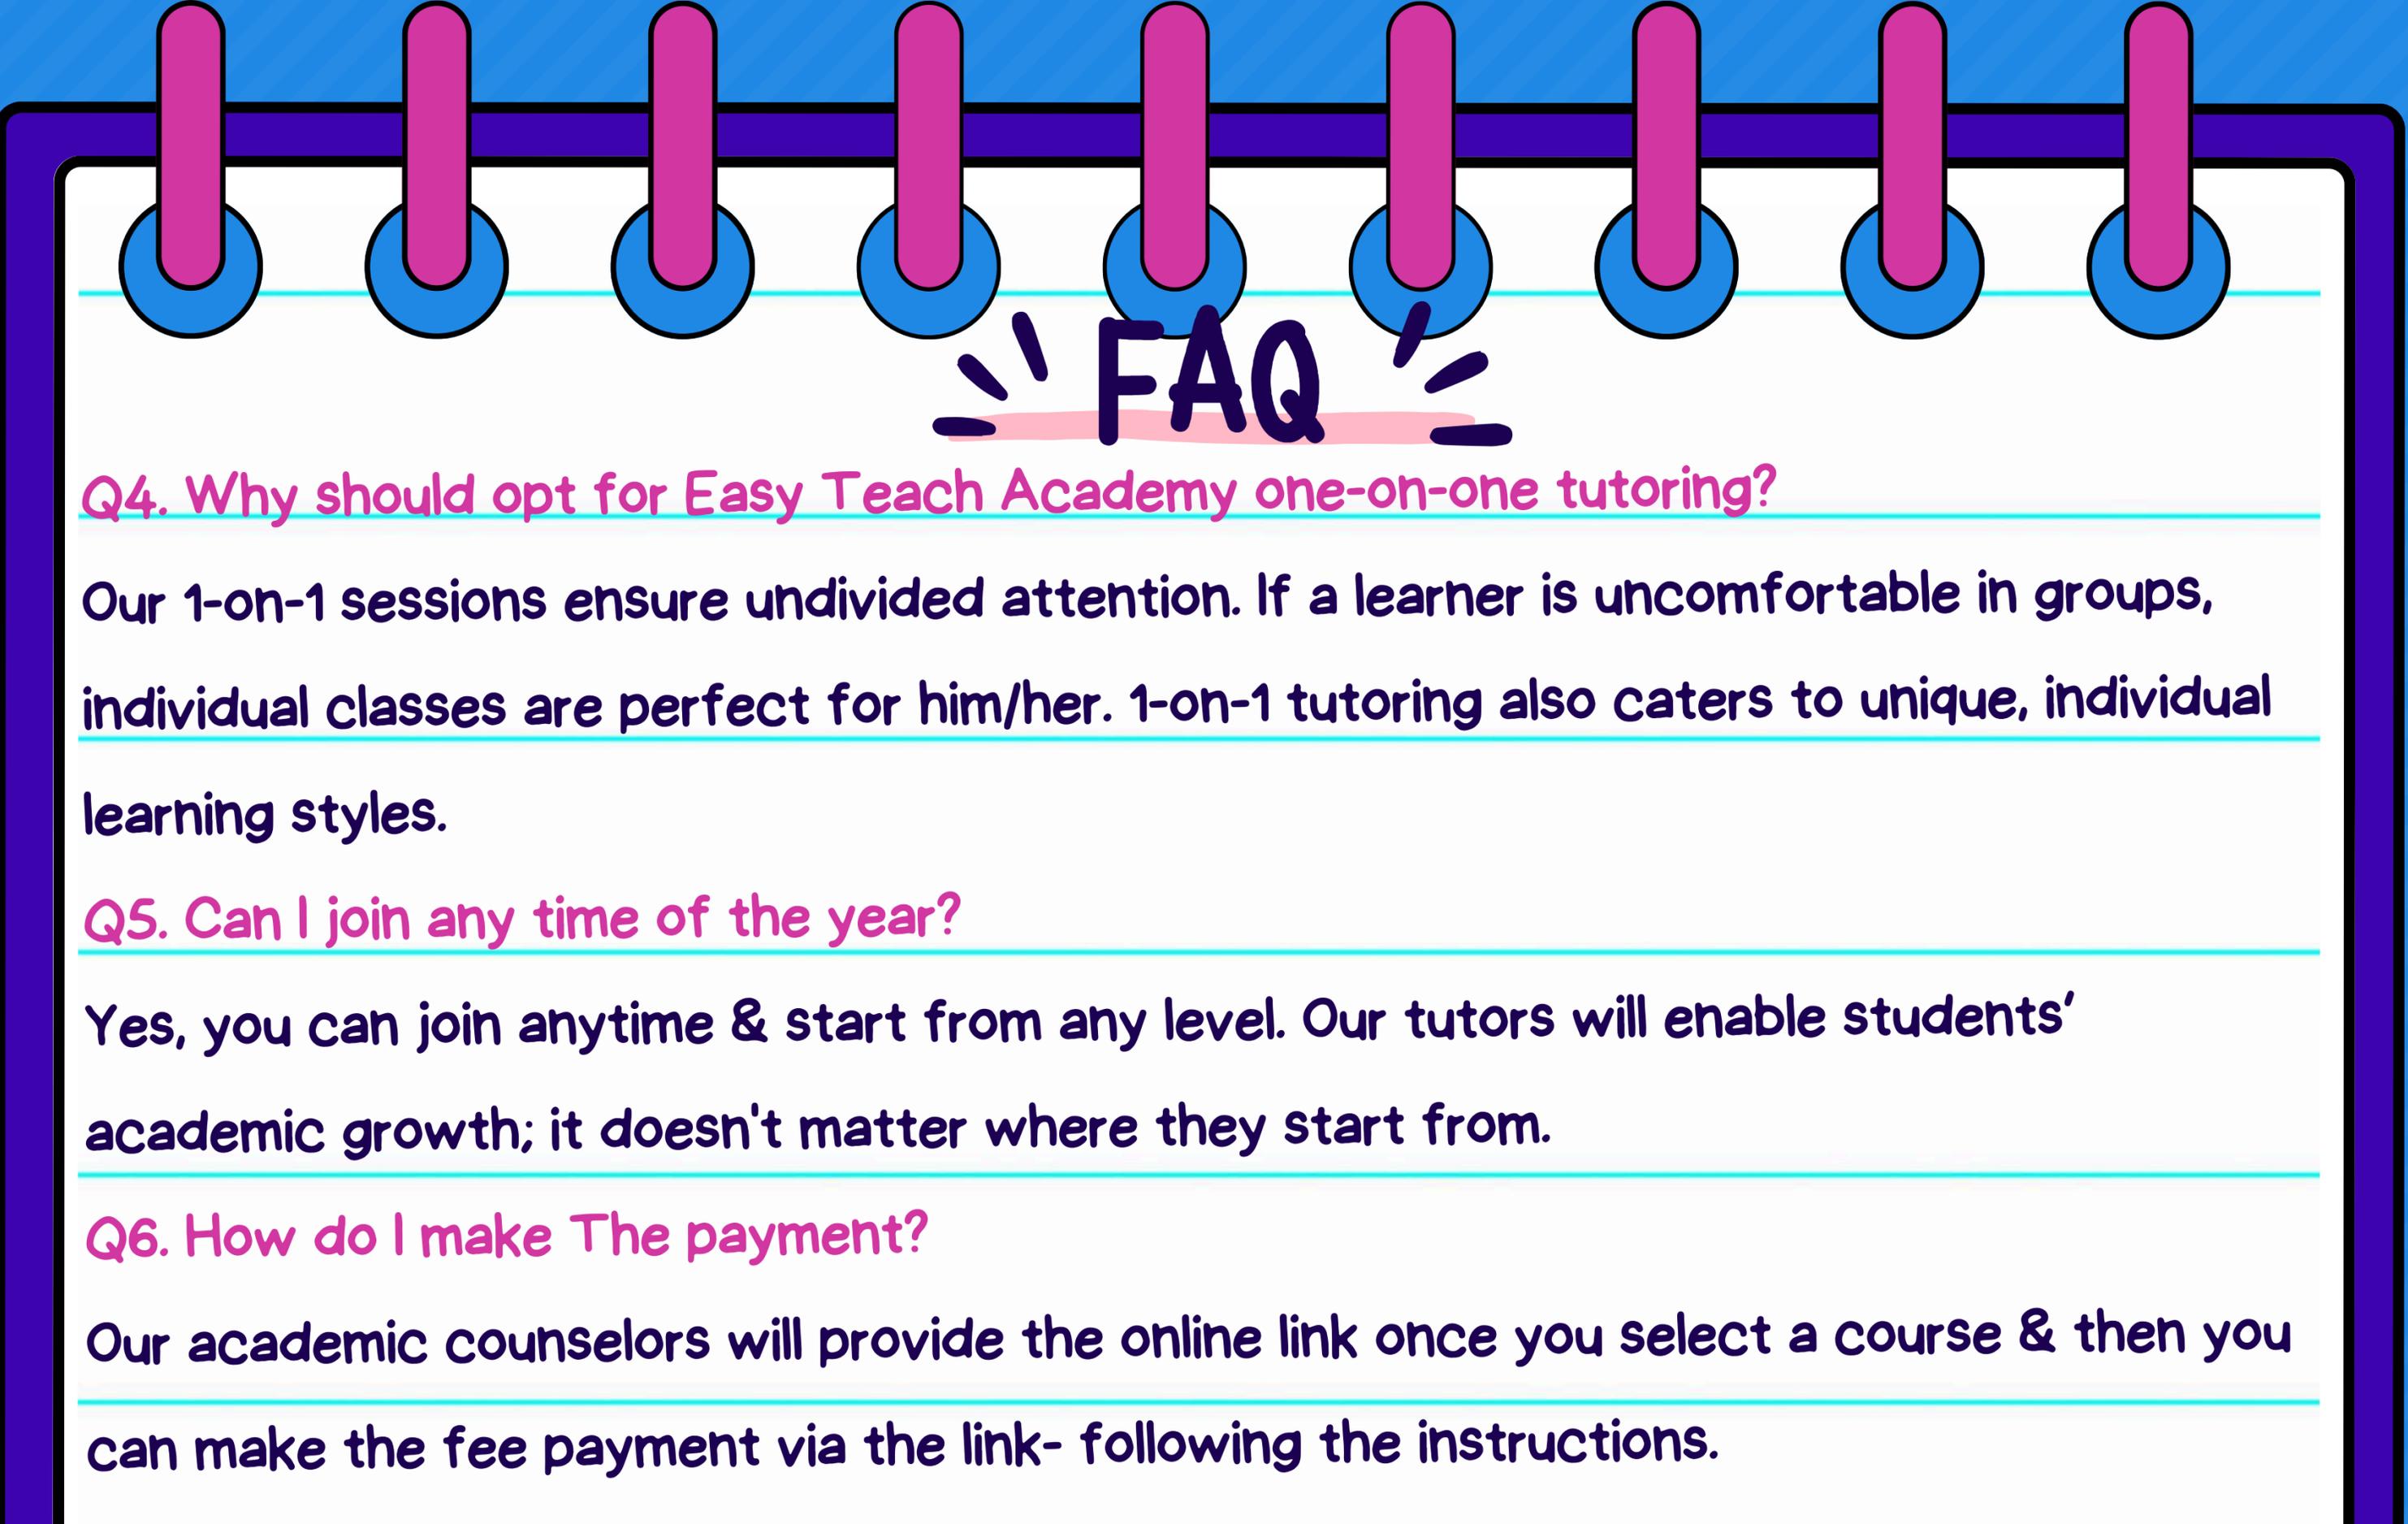

Q2. How can Easy Teach Academy be an apt tutor for my child?

At Easy Teach, we begin by gauging a student's strengths, gaps & end goals. Following this, we develop a customized study plan. We then assign the perfect online tutors from our pool of top-notch teachers.

Q3. Can a student attend a demo for all subjects on Easy Teach Academy?

Yes, your child can attend a demo for all the 2 subjects (English & Maths) available on Easy Teach Academy & then decide on the student would like to be tutored in

FAQ

Q4. Why should opt for Easy Teach Academy one-on-one tutoring?

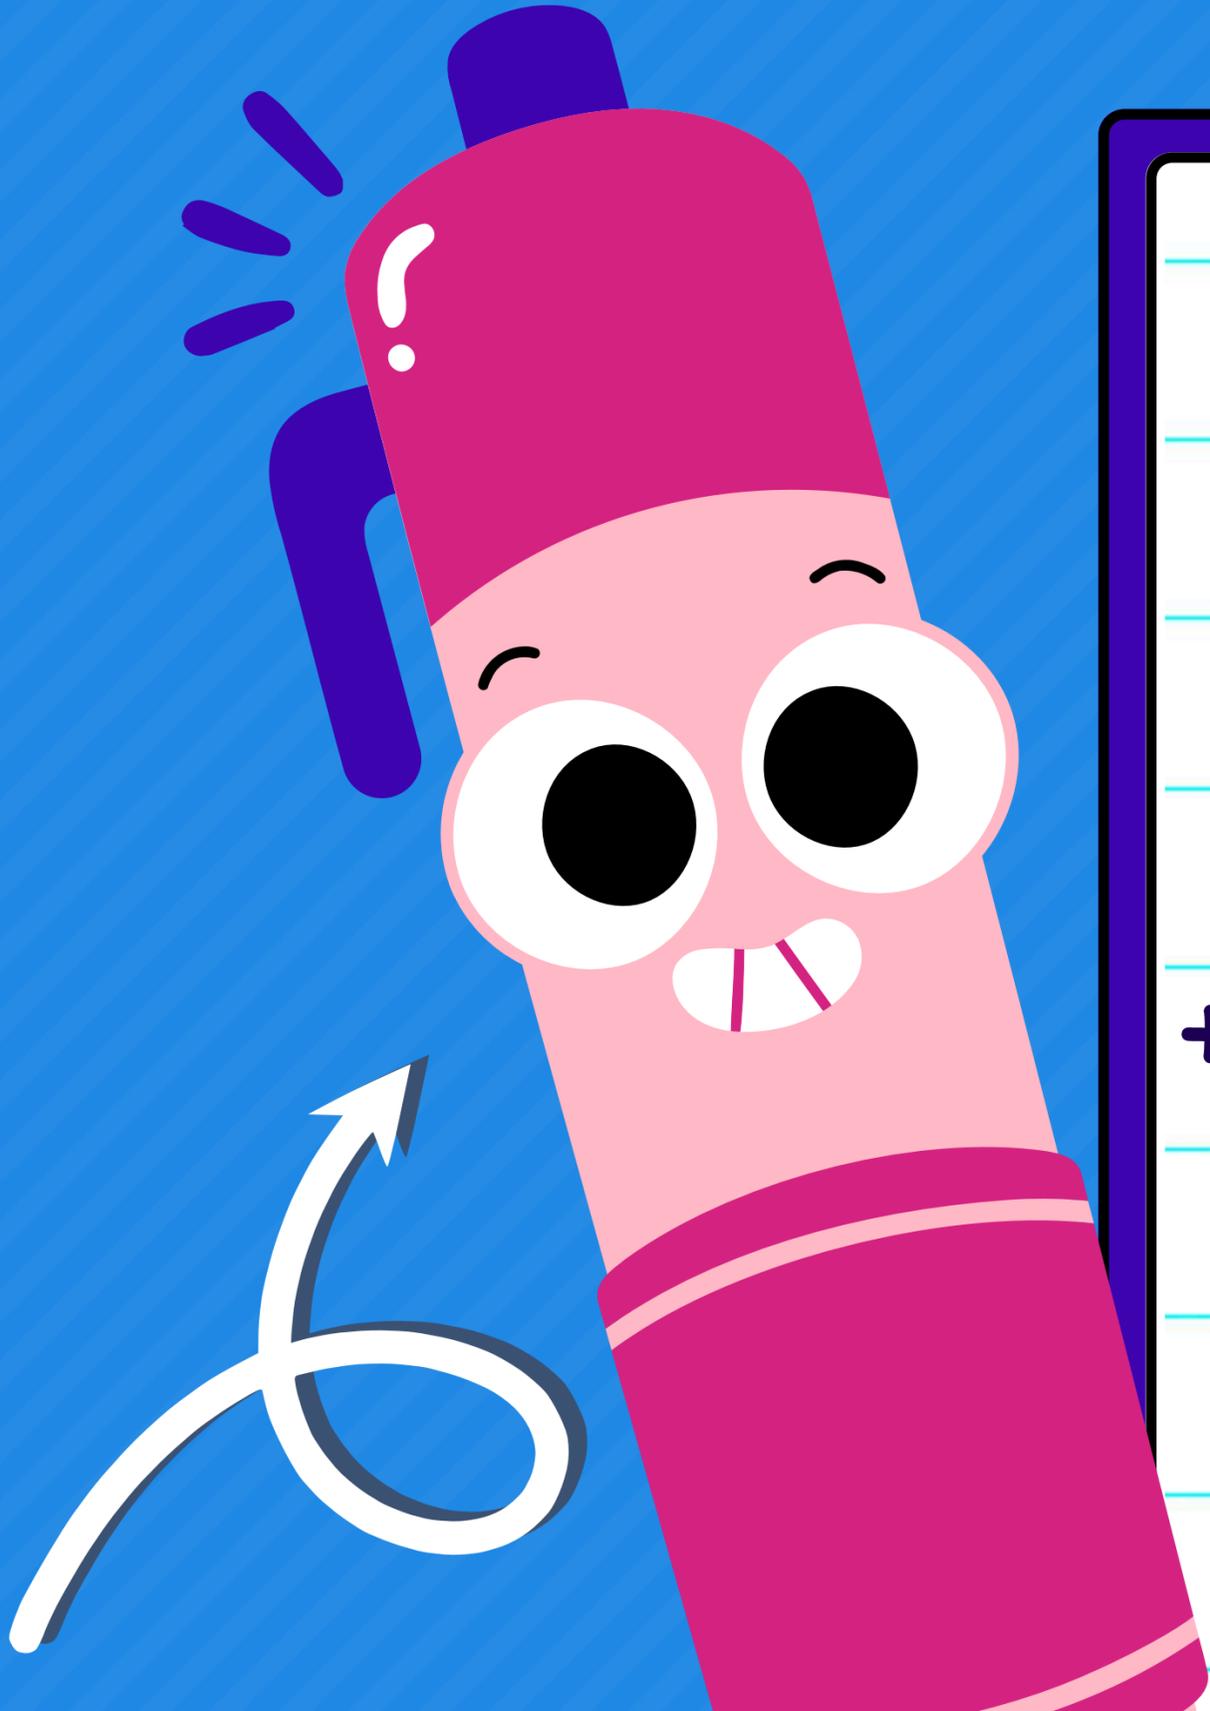

Our 1-on-1 sessions ensure undivided attention. If a learner is uncomfortable in groups, individual classes are perfect for him/her. 1-on-1 tutoring also caters to unique, individual learning styles.

Q5. Can I join any time of the year?

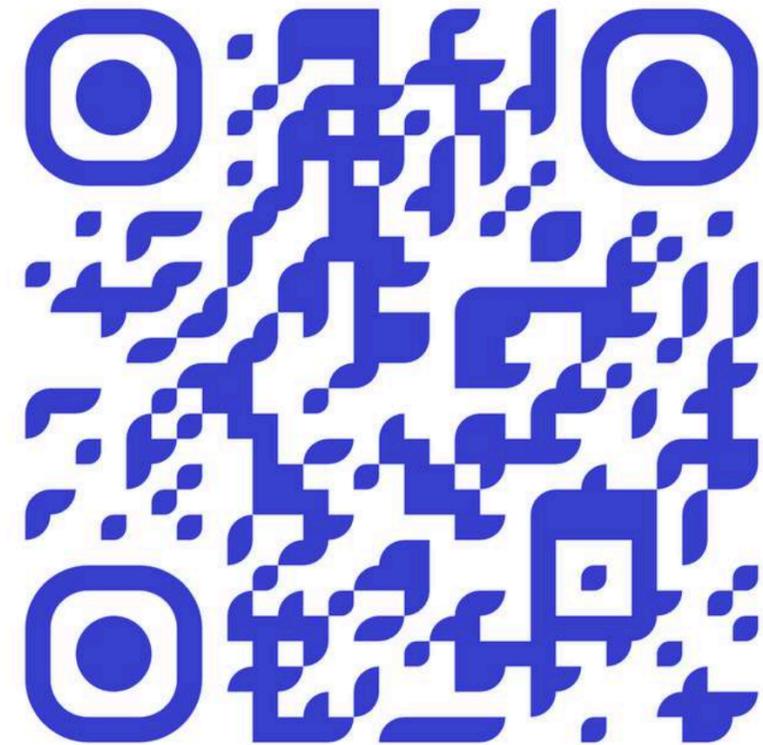

Yes, you can join anytime & start from any level. Our tutors will enable students' academic growth; it doesn't matter where they start from.

Q6. How do I make The payment?

Our academic counselors will provide the online link once you select a course & then you can make the fee payment via the link- following the instructions.
